Expected result	Below the box will appear a "Confirm" button and next to it a "Cancel" button. And there is an option to delete and type in the text box
	Below the box appeared a "Confirm" button and next to it a "Cancel" button. There was also an option to delete and type in the text box
Actual result	 A screenshot of a computer monitor displaying a web browser. The page shows a product listing for 'The Curious Incident of the Dog in the Night-Time' by Mark Haddon. In the center, there is a text input field with the placeholder 'Enter Stock Quantity'. Below the input field are two buttons: a green 'Confirm' button and a red 'Cancel' button. The rest of the page includes a book cover thumbnail, a price of \$12.99, and a 'Buy Now' button.
Status	Passed

T9-41 / User story 24 - As a manager, I want to be able to update the available stock quantity of products, so that I can ensure the online store reflects the actual inventory levels.
